To whom it may concern

Dear Sir / Madam

2009 TOURIST SEASON - OBAN

In the course of speaking with a variety of people in Oban it has become clear to me and my fellow Councillors that there is a strong sense within the town that, for a variety of reasons that will be well known to all, the 2009 tourist season promises to be an extremely busy one. It is in everyone's interest that Oban is as ready as it can be to welcome visitors to the town, and that we all work together to ensure that when they leave, they do so with happy memories and a positive impression.

My purpose in writing is to invite you to attend a meeting in the Argyllshire Gathering Halls, Breadalbane Street on Tuesday 3rd March 2009 at 4pm to discuss what needs to be done to prepare for the coming season and how we can best achieve this.

I hope you are able to attend

Yours sincerely
